Testimony for support to Amendment Bill 14 and Bill 15

We strongly support any improvement particularly on these two streets, Kawaiahao between Ward and Cook and Waimanu between Ward and Imperial Plaza, due to Limbo (Private) road statues of Kakaako streets, they have been neglected for many years and the condition is a disaster and unsafe due to heavy traffic which is going thru these roads. these conditions have cost a lot for the businesses and still continues.

Sincerely,

Bob Emami
